## ❖ Executive Summary

This report provides an overview of the **E-clinic Dental Management system**, a web application designed to streamline dental appointment scheduling and management. The website serves three main user roles: **Administrators**, **Doctors**, and **Patients**, each with tailored functionalities. The website offers both dark and light themes to enhance user experience and accessibility.

Our dental clinic system DentiSoft development project has made significant strides in enhancing user experience and functionality. In this report, we will outline the key features implemented, including login and registration processes, personalized user dashboards, data presentation, and accessibility options.

Provided role based user features can be summarized as the following:

**Administrators** ⇒ can manage **patient records, doctor profiles, Appointment scheduling, and monitor clinic inventory**, centralizing clinic operations and minimizing scheduling conflicts.

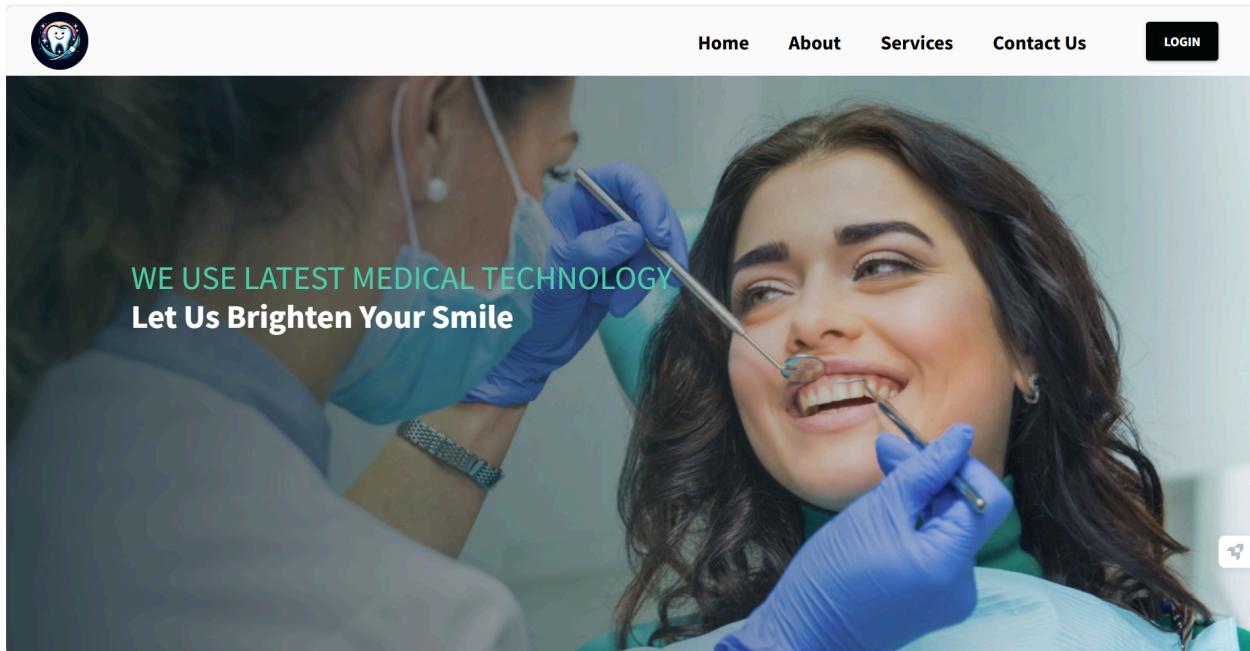

**Doctors** ⇒ can **view their schedules and access patient lists** allowing them to manage their time and resources effectively.

**Patients** ⇒ can **view their medical records** and schedule appointments

## ❖ Website Workflow and Key Features

### Home Pages

#### 1. Home Page

#### 2. Offered services

### Our Services

**Teeth Cleaning**

Regular cleaning to remove plaque and tartar, keeping your smile healthy and bright.

**Dental Fillings**

Repair cavities and damage, restoring tooth structure and preventing further decay.

**Teeth Whitening**

Lighten teeth color, remove stains, and enhance your smile's appearance.

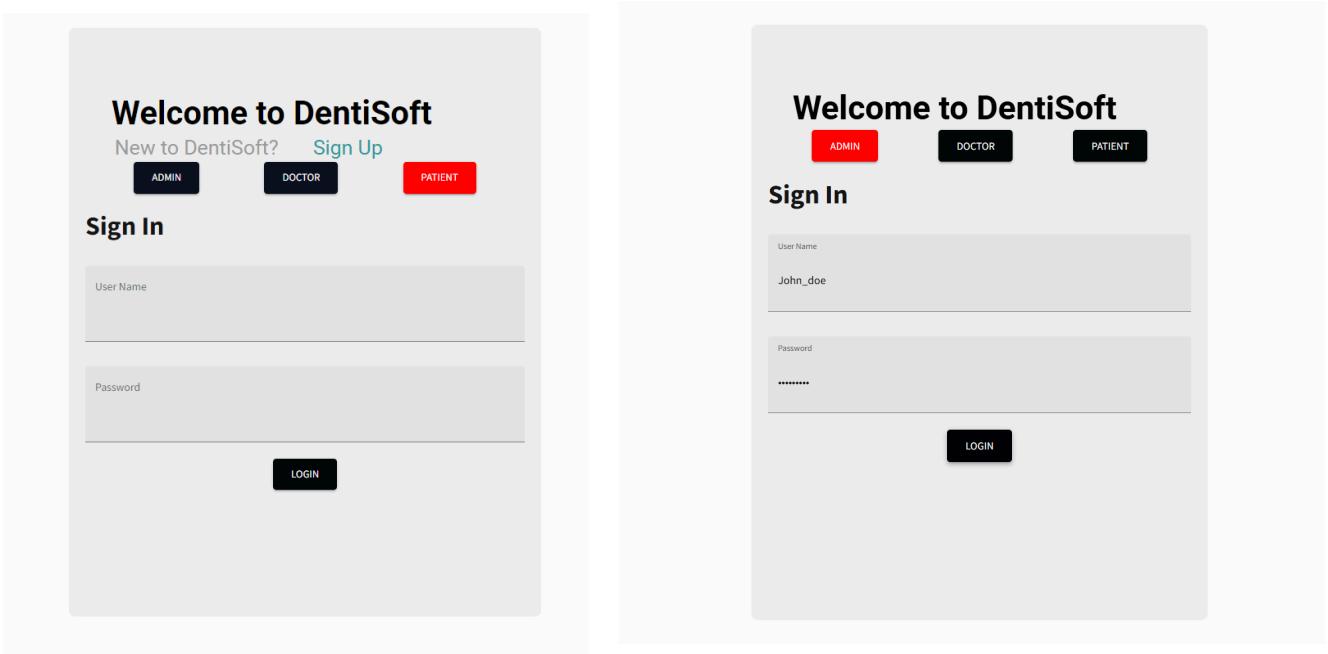

**Dental Implants**

Permanent solution for missing teeth, providing a natural look and feel.

### 3. Login page

Login and Registration: One of the fundamental aspects of our website is the login functionality, catering to admins, doctors, and patients. Users can securely access their accounts using a username and password. Additionally, patients have the option to register if they do not already have an account. During the registration process, patients are prompted to provide basic personal information such as name, address, SSN, and email. Furthermore, they can input essential health information including smoking status, allergies, and blood group.

# Appointment

## 1. View appointments

The screenshot shows the Radiant Smiles Clinic web application interface. On the left is a sidebar with a user profile for 'Muhammad Sami' (Admin) and links for Dashboard, Appointments, Doctors, Add a Doctor, Patients, Add a Patient, Inventory, and Add Equipment. The main content area is titled 'Appointments' and 'Manage Appointments'. It displays a table of 9 patient records with columns for ID, Patient Name, Email, Gender, Date, Time, Mobile Number, Doctor Name, Condition/Reason, and Actions (with edit and delete icons). The table has a blue header and rows with alternating background colors. At the bottom right of the table is a 'Rows per page' dropdown set to 100 and a '1 - 20 of 20' pagination indicator.

## 2. Edit appointments

The screenshot shows the Radiant Smiles Clinic web application interface with a modal window titled 'Edit Appointment'. The modal contains 'Appointment Details' fields: 'Consulting Doctor' (dropdown menu showing 'Smith'), 'Date Of Appointment' (text input placeholder 'mm/dd/yyyy'), 'Time of Appointment' (dropdown menu placeholder 'Service'), and a 'SUBMIT' button. The background shows the same 'Appointments' table as the previous screenshot, with a doctor's profile picture overlaid on it. The bottom right of the modal has a 'Rows per page' dropdown set to 100 and a '1 - 20 of 20' pagination indicator.

# Doctors management

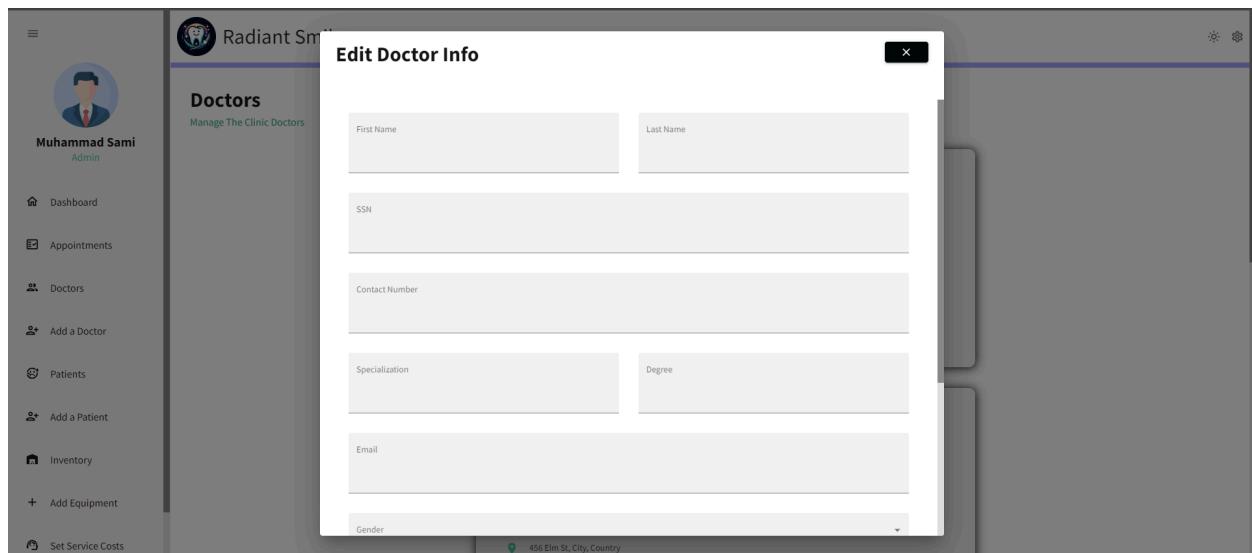

## 1. View doctors

The screenshot shows the 'Doctors' section of the Radiant Smiles Clinic website. On the left, there is a sidebar with a user profile for 'Muhammad Sami Admin' and links for Dashboard, Appointments, Doctors, Add a Doctor, Patients, Add a Patient, Inventory, and Add Equipment. The main content area has a title 'Doctors' and a subtitle 'Manage The Clinic Doctors'. It displays two doctor profiles: 'Dr. John Doe' (Dentofacial Orthopaedist) with ID 1, Master of Dental Surgery, phone 01034284601, and location Cairo; and 'Dr. Jane Smith' (Paediatric Dentist) with ID 2, Master of Dental Science, phone 010065487722. Each profile includes a photo, name, title, ID, qualifications, contact information, and location.

## 2. Add new doctor

The screenshot shows the 'Add Doctor' form on the Radiant Smiles Clinic website. The sidebar on the left is identical to the previous screenshot. The main content area has a title 'Add Doctor' and a subtitle 'Add a Doctor to the staff'. It contains several input fields: First Name, Last Name, SSN, Contact Number, Specialization, Degree, and Email. Each field is represented by a text input box with a placeholder text.

### 3. Edit doctors information

## Patients Management

### 1. View all Patients

The screenshot shows the 'Patients' page in the Radiant Smiles Clinic application. The left sidebar has the same navigation as the previous screen. The main content area is titled 'Patients' and displays four patient profiles in cards:

- Jon Snow** (ID 1)
  - Address:** Winterfell, The North, Westeros
  - Date of Birth:** 12/08/1989
  - Blood Group:** O+
  - Last Visit Reason:** Tooth sensitivity
- Cersei Lannister** (ID 2)

  - Date of Birth:** 11/30/1975
  - Blood Group:** AB-
  - Last Visit Reason:** Tooth sensitivity
- Tyrion Lannister** (ID 3)
- Daenerys Targaryen** (ID 4)

Each card includes a set of four small circular icons at the bottom.

## 2. Add new patient

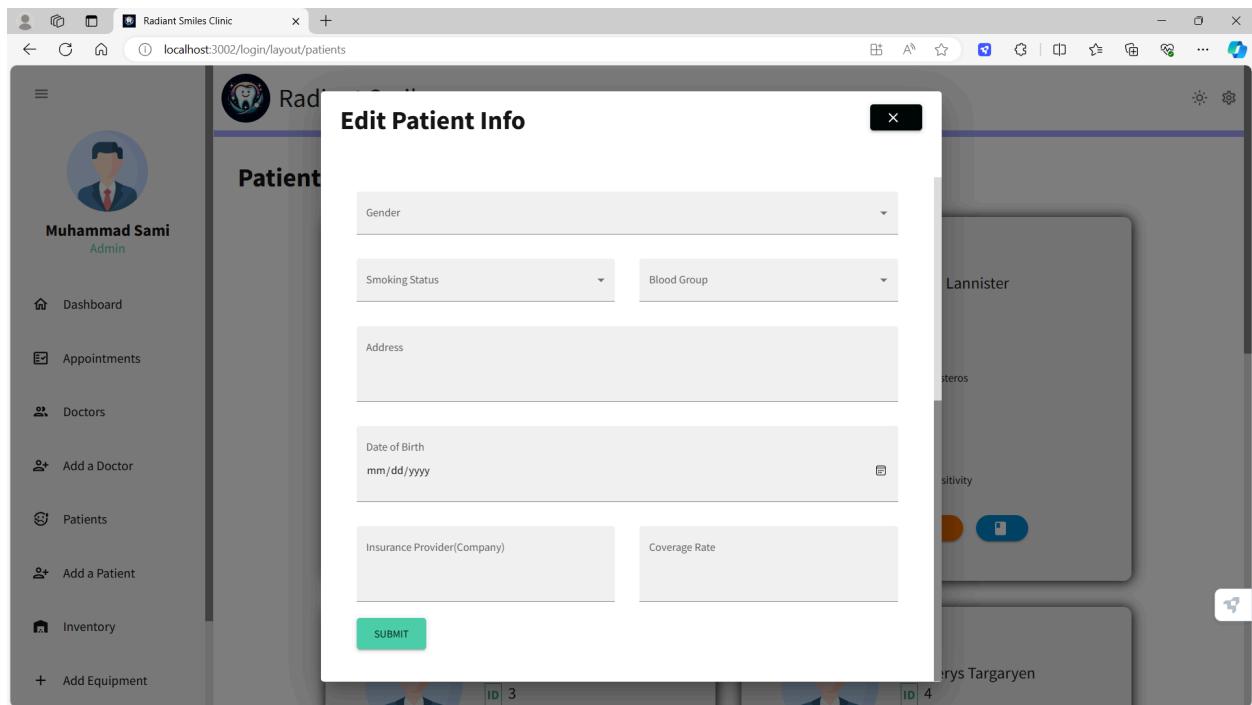

The screenshot shows a web browser window for 'Radiant Smiles Clinic' at 'localhost:3002/login/layout/addPatient'. On the left is a sidebar with a user profile for 'Muhammad Sami Admin' and links for Dashboard, Appointments, Doctors, Add a Doctor, Patients, Add a Patient, Inventory, and Add Equipment. The main content area has a title 'Add Patient' and a subtitle 'Add a Patient to the Clinic'. It contains fields for First Name, Last Name, SSN, Contact Number, Email, Password, and Re-Enter Password.

## 3. Patient invoices status

The screenshot shows a modal dialog titled 'Edit This Patient Invoices Status' for a patient named 'Muhammad Sami Admin'. The modal displays a table of invoices with columns: Billing ID, Date, Total Cost, Doctor Name, Insurance Cov..., Total After Ins..., and Status. Each row has a status button ('PAID' or 'UNPAID'). The table includes rows for INV-001 through INV-009. The background of the page shows a dark theme with some UI elements visible.

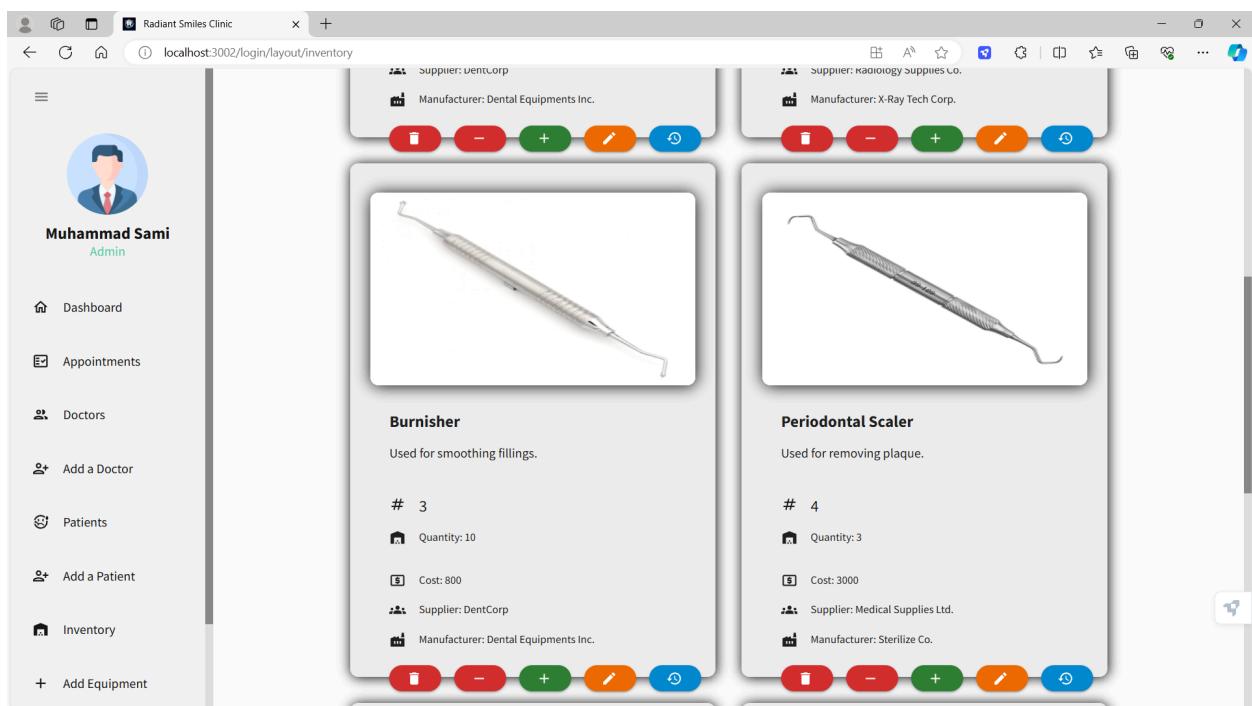

| Billing ID | Date       | Total Cost | Doctor Name     | Insurance Cov... | Total After Ins... | Status                  |
